### **Membership Type:**

- Program Membership (\$200/year):** Senior Legal Hotlines that are or aspire to be statewide. Each member program can designate its representative to the association. A program membership is a representative of the organization operating a senior legal hotline in any state or D.C.
- Provisional Member (\$100/year):** A non-profit legal service agency in states that do not have senior legal hotlines but declare interest in creating SLH in their state. They are to pay dues at half the rate of full members, will be included in general membership communications and may attend annual and special meetings.
- Supporting Individual (\$25/year):** A person endorsing the principles and goals of the association but who is not currently an eligible member. Supporting individuals may participate in the activities of the association and receive publications but do not have the right to vote or hold office.
- Supporting Organization (\$25/year):** An organization who shares our interest in developing improved access to legal assistance by older Americans. They shall pay dues at the same rate as supporting individuals, and not be voting members or officers, but will be included in general membership communications and annual and special meetings.

**The association's goals include:**

- To share substantive legal information, information related to hotline operations and funding opportunities;
- To work together to achieve stability of existing services and toward nationwide coverage for senior legal hotline services; and
- To educate the aging and legal services networks and others as to the ways hotlines complement our national, state and local systems of support for older Americans and legal services programs by providing efficient, valuable assistance to large numbers of seniors, targeting those with greater needs due to low income, disability, geographic or social isolation or lack of fluent English.
